

Protein Skimmer

- High efficiency, 30% more air-intake than industry average and improving dissolved oxygen level
- Separate upto 80% of harmful substances with foam collection cup and AUTOMATIC rinsing system
- Durable, easily maintain and designed low-energy consumption

Model	Treatment Capacity (m ³ /h)	Product Size (mm)	Inlet/Outlet Size (mm)	Waste Discharge Size (mm)	Rated Power (watts)
EP-S-10FC	10	Ø 600*2670	90/90	90/32	550
EP-S-30FC	30	Ø 750*2910	90/110	90/32	900
EP-S-60FC	60	Ø 955*2981	110/160	90/32	1500
EP-S-100FC	100	Ø 1200*3250	160/200	110/32	2200
EP-S-150FC	150	Ø 1430*3250	200/250	110/32	3000
EP-S-200FC	200	Ø 1700*3250	200/315	160/50	4400
EP-S-300FC	300	Ø 2000*3250	250/250×2	160/50	6600

* Special design for freshwater aquaculture applications and apply air source by dedicated blowers
