

Ozone Generator

- Powered oxygen generating system(optional) ,high and stable ozone concentration upto 120mg/l
- Over-current,over-voltage dule proteccion devices, safer operation
- A built-in timer allows users to set the duration of ozone generation
- Stable ozone generation service with micro-gap discharge technology, higher ozone concentration

Oxygen-feed ozone generator

Model	Prodcution (g/h)	O2 Concentration (mg/l)	Product Size (mm)	Cooling System	Rated Power (watts)
EOZ-O-5	5	120	330*260*550	Air Cooling	160
EOZ-O-10	10	120	350*300*580	Air Cooling	220
EOZ-O-15/20	15/20	120	400*300*800	Air Cooling	280/320
EOZ-O-30	30	120	400*300*1000	Air Cooling	460
EOZ-O-40/50	40/50	120	500*400*1050	Air Cooling	550/650
EOZ-O-60	60	120	500*400*1050	Air Cooling	800
EOZ-O-80/100	80/100	120	500*400*1050	Air Cooling	1350/1900
